\*You can have the oysters prepared RAW, STEAMED or BAKED WITH TOPPINGS

**Burgers**(we've got 10oz for \$8 and 20oz for \$11, if you're feeling brave, add patties for \$3 each)

\*the bigger ones are really just for show...you don't want none of this

**Chicken**(these are made with breasts, not nuggets, and'll cost you \$8)

\*you need to understand these are sandwiches and not whole chickens

**Grouper**(we're going to let you have these for \$10...your welcome)

\*this is fresh...none of that frozen nonsense

**Boca Burger**(because we love the vegetarians, you can have these for \$6)

\*we'll let you have one even if you're not a vegetarian

...now that you know what you want, you have to figure out how or if you would like your meat SPICED. Now I know some of you have one of those real intelligent backsides, so you have to pick from our choices.
